SUBJECT: THE MILITARY SITUATION IN SOUTH VIETNAM

25X1

Activity has intensified somewhat in the northern provinces of Quang Nam and Quang Tin, and the South Vietnamese Ranger camp at Plei Me in Pleiku Province continues to be a target of North Vietnamese attacks. The communists shelled the Bien Hoa Airbase on August 13, for the fourth consecutive day.

There have been no solid indicators of a dramatic increase in the level of communist-initiated military activity during the past few days.
